## Bacon & Horseradish Party Dip

---

### INGREDIENTS

- 1 16 oz. Container Sour Cream
- 1/2 C. Prepared Horseradish
- 1 tsp. Coarse Black Pepper
- 1 Tbsp. Apple Cider Vinegar
- 4 Slices Bacon (cooked, cooled, and chopped)

### DIRECTIONS

Pre-cook bacon, drain and set aside to cool. Once cooled, chop bacon finely. Empty Sour Cream into medium bowl. Add all other ingredients and stir to combine and return to original container. For best flavor refrigerate over night for flavors to develop. Great on veggies and assorted chips. Also great on baked potatoes.

Makes 2 C. Enjoy.
